Office Move Case Study

- Client:** Pharmanet
- Project:** Relocation 2008
- Scope:** Relocation of approximately 100 employees from the 5th floor at Westin and the fourth floor at Copley Parkway to the new 2nd and 3rd floors of the new building located at Center Green Way, Cary NC in May 2008.

Contents and computers of all workstations, (36) freestanding offices of furniture, all conference room tables and chairs, all file cabinets, 1 receptionist desk, employee's boxes (plastic crate boxes), computers, 2 white boards and some misc. This was a "shuttle-type" operation whereby multiple straight trucks rotated between the two facilities. Separate sending and receiving crews worked simultaneously loading and offloading and properly placing all items in their predetermined locations.

Additional items included tear down and installation of the existing 150 modular work stations.
